Sherriann Martin

**Treasurer-**

Lynn Lloyd

**Secretary-**

Stacie Venditto

**Equipment Manager-**

Steve Meigs

**Registration Mgr-**

Chris Conley

**Program Coordinator-**

Jackie Schumacher

## SPRING LEAGUE STARTS WEEK OF MARCH 19

The 2012 season of the 3 tournament Connecticut Storm Spring League starts the week of March 19th with league locations in Groton or Willimantic/Columbia. The league/clinic format provides an intermediate level program focusing on skill devel-

team program. Since the total registration numbers at each location varies, we cannot guarantee team roster numbers but will not form teams that do not meet club

*Spring League Registration information on Page 2*

opment and matched competition. This is an excellent program for athletes who have other sports commitments in the spring, need more next level development or for families who cannot commit to the full schedule travel team program. We see many athletes do a year or two in the spring league, show significant improvement and move to the full schedule travel

standards for balance and competitive levels. If we cannot create fit in the athlete's desired location, other fit options will be made available to assure athletes have a positive experience. Proper "fit" is imperative for athlete development.

Depending on interest we are exploring the formation of a high school age team with practice in the Putnam area. If interested please contact Larry Miller or Willie Bousquet. lm
